

PET DRYERS

RETAIL GROOMING LINE

B-2

XPOWER's complete Retail Pet Dryer Line now offers the pet retailer the opportunity to reap the rewards of larger sales and profits while increasing its customer base in an ever-expanding DIY family grooming market.

The new generation of pet owners is demanding a higher standard of products and equipment for their pets. By satisfying this demand, retailers will enjoy a major growth stimulant to self-wash and full service grooming services, as well as to their premium food, treat, and accessory lines.

Acclaimed for its high performance standards, innovative design, and technological excellence in the professional dog and cat grooming market, XPOWER introduces the best retail dryer line with:

- Shelf Ready Packaging
- DIY Pet Styling Guide
- Stylish & Lightweight
- Outstanding Price Points
